

Patons® Pirouette

Ruffle Scarf (to knit) Step-by-Step Instructions

1. Cast on by inserting needle from back to front across top edge of yarn into every second space.

2. Insert right-hand needle from front to back through first st on the left-hand needle.

3. Miss next space and wrap yarn of second space around right-hand needle.

4. Draw working yarn through to create stitch on right-hand needle. Slip stitch off left-hand needle.

5. Repeat steps 2 to 4 until 12 spaces of working yarn are left. Cast off, working through every second space.
